Ansys 2022 R1 removes the limitations of fixed computing resources with on-demand cloud computing, including interactive workstations. Ansys 2022 R1 removes the constraints of fixed computing resources with on-demand cloud computing resources, including interactive workstations that can be accessed anywhere, anytime. The Ansys 2022 R1 allows you to use one or more hardware units to share Ansys computing resources at project startup, design, and project time.
