SmartSHOW 3D is a smart slideshow maker with professional capabilities. The software provides ample tools for creating animated slideshows with photos, videos, music and voiceover, without the help of a professional animator. Other apps like OneNote, Pen and Screen, PDF Book Reader, Numbers, Keynote, Pages, Scanner, Photoshop Touch, and Visio, are available to further enhance the SmartSHOW 3D user experience. Users of Microsoft Windows 10 on tablets and notebooks do not need to purchase the Microsoft Office 365 add-on. Office 365 runs within Windows 10 and can be used to create PowerPoint, Excel, Outlook, and OneNote slideshows. Office 365 is also the default Microsoft Office suite that comes on Windows 10 tablets and laptops. SmartSHOW 3D offers a free, limited user account to access all slideshow templates and create slideshows with just 2 MB of memory. SmartSHOW 3D features a desktop version or a mobile app for Windows, iPad, Android, iPhone and Blackberry platforms. SmartSHOW 3D can be downloaded for free and used completely free of charge to create and share slideshow videos. Videos made with SmartSHOW 3D do not have any watermarks, but they are not shareable via the Internet. SmartSHOW 3D can be used to create slideshows with any number of videos, pictures, music or voiceover and uses over 500 transitions and effects to make the slideshow look professional. SmartSHOW 3D also features a video to picture editing software to take a video clip and turn it into a slideshow. SmartSH
